

transforming giving

Stewardship is the leading Christian provider of tax-effective giving services, currently handling over £30 million a year on behalf of more than 20,000 donors. We promote biblical principles and practice - of joyful giving, planned stewardship and generosity.

raising standards

Our vision is for a transformed Church, where financial and legal administration is a model of integrity and efficiency. We facilitate this by providing a range of legal and financial support services.

sharing knowledge

We provide training events and resources. We partner strategically with others. If we do not have the resource, we can often point to someone who does.

stewardship®

This leaflet explains how your giving to this Christian worker can be made to go 28% further.

This service is carried out by Stewardship, a Christian charity specialising in tax-effective giving. We serve many full time Christian workers and their supporters through our tax-effective giving accounts.

If you have any questions not addressed inside, do contact the person who gave or sent you this form.

How does it work?

- You make your gifts to Stewardship, through the Gift Aid Scheme. This scheme allows taxpayers to give to charities in such a way that tax you have already paid can be claimed back and added to your giving.
- We pass on the gifts, then claim and send on the tax that can be recovered. With basic rate tax at 22%, a gift of £100 increases in value to £128.

What payments can I make?

You can make regular payments from as little as £10 a month and single gifts of £30 or more.

Can anyone do it?

You need to be a taxpayer and pay enough income tax (at whatever rate) or capital gains tax in each tax year to cover the tax reclaimed on your giving.

Is there any charge?

Stewardship keep 3% of the total gift from the reclaimed tax, before sending the rest of the tax to the worker(s) you support (a minimum deduction of £5 for a single gift applies). There is no direct cost to you.

What are my obligations?

There is no legal commitment to continue. If for any reason you need to stop, you can.

What else should I know?

- Your donations should not be based on the tax paid by another person (eg husband or wife) but by you personally.
- If you cease to be a tax payer or to pay enough tax, you should notify Stewardship so that we do not reclaim too much tax on your giving.

You will be liable to refund the Inland Revenue if too much tax is recovered.

Under the Gift Aid scheme, there are restrictions on giving to a worker who is a **close relative** (ie, your child, grandchild, parent, grandparent, brother, sister, or the spouse of any of these). If you are considering doing this, please check first with our office.
